¿Morirá el libro?

- Por supuesto que no.
- Estamos hablando de un formato, no de la esencia del objeto.
- Como cualquiera de los avances tecnológicos pasamos por varias etapas:
 - Desconocimiento
 - Descreimiento
 - Curiosidad
 - Prueba
 - Adquisición
 - Habitualidad
- Este ciclo es inexorable, lo que cambia es el tiempo que toma y esto depende de variables sociales y económicas.

Nuevos hábitos

Evidentemente, existen muchas ventajas que lo favorecen:

Podemos subrayarlo, marcarlo y personalizar la lectura como lo hacíamos en la versión papel.
